

WILL SCOTT

Soul-Americana, Hill Country Blues

Known for his powerful, bluesy, voice, distinctive guitar-playing, and crafty songwriting, Will Scott's music blends Blues and Americana, with a dash of Rock and Country. From a musical family tradition in the hills of southern Indiana, Scott brings an engaging authenticity to his original songs and a freshness to his brilliantly-reinterpreted covers.

Scott's energetic live performances have captivated crowds all over the US and overseas. "There is something in his voice," as one fan puts it, "and the way he pulls at those strings and stomps on stage that makes even his straightest of country ballads feel like the greatest of blues songs."
