## WILL SCOTT UK & Europe Tour Summer 2011

### FOR IMMEDIATE RELEASE

"One of the most impressive new acts of his kind to come along in quite some time" -**Americana UK**

New York blues and Americana artist, WILL SCOTT, returns to the UK and Europe June and July 2011 in support of his new release, *Keystone Crossing*. The tour includes performances at Glastonbury's Bourbon Street Stage, Maverick Festival, and Birmingham Jazz and Blues Festival, as well as debut shows in Amsterdam and Berlin.

WILL SCOTT is known for his bluesy voice, distinctive guitar-playing and heartfelt song writing. Blending blues and Americana with a dash of rock and outlaw country, Scott's music has captivated crowds worldwide. His energetic, soulful, live performances and acclaimed recordings have made Will Scott one of the most notable artist's in the blues/roots genre today.

Raised in Indianapolis and Chicago, SCOTT grew up in a musical family tradition surrounded by blues, bluegrass, traditional country, jazz, and rock & roll. SCOTT's first solo record, *Solo Electric Blues*, released in 2002 caught the attention of Ben Vaughn (That 70's Show, Third Rock) and other notables in the California music industry. While a home-cooked recording project, that album helped launch SCOTT into New York's music scene. In 2009 *Gnawbone* was released, produced by gold record recipient, Preacher Boy (Eagle Eye Cherry), featuring notable performances by Jolie Holland, Samantha Parton (The Be Good Tanyas) and Jan Bell. *Gnawbone* received rave reviews in the US and across Europe (★★★★ Q Magazine). WILL SCOTT has shared the stage with respected and legendary artists across the world including Buddy Miller, Elizabeth Cook, Band of Heathens, Jolie Holland, Sam Myers, Baby Gramps, Kent Burnside and many others.

2011 sees the release of a new album by WILL SCOTT entitled *Keystone Crossing*. The album showcases SCOTT's distinctive vocals and writing, backed by a hand-picked group of top West Coast musicians: Ben Peeler (Lucinda Williams, Shelby Lynne) Dave Palmer, (Solomon Burke, Chris Isaak), Dave Piltch (KD Lang, Bill Frisell) and Jerry Roe (Jerry Reed, Julianne Hough). Scrote, the album's producer, supplies electric guitar. Dayna Kurtz guests on vocals and Deacon Jones makes an appearance on B3.

The summer 2011 UK & Europe tour is sponsored by *Twisted South Magazine*. Dates and ticket information are listed below.
